<b>BioWIN2 Touch Exklusiv –BW152T MAN</b>		<b>Quantity<sup>i</sup></b>	<b>Price<sup>ii</sup></b>	
<b>Delivery Package by Pellaery</b>				
BioWIN2 Touch Exklusiv Boiler (BW152T) 15kW Boiler (51,210 BTU/HR Output) with Manual Feed Hopper – 440LBS Capacity		1	\$17,250.00	
<b>Near Boiler Trim Package-</b> Includes Pressure Relief Valve, Near Boiler 1" NPT Fittings, Combined Pressure/Temperature Gauge, Boiler Primary Pump (Grundfos 3-Speed), Isolation/Purge Valve and Isolation/Purge Circulator Flanges		LOT	Included in above	
<b>119-Gallon Insulated Thermal Storage Tank</b>		1	Included in above	
<b>Thermal Storage Tank Fittings/Control Package-</b> Includes Pressure Relief Valve, Near Tank NPT Fittings (1/2" thru 1-1/2"), Tank Air Vent, Thermal Control Units for control of boiler		LOT	Included in above	
<b>Floor Mount Expansion Tank</b>		1	Included in above	
<b>Stainless Steel Sealing Barometric Damper, 6"</b>		1	Included in above	
<b>Manual Feed Hopper</b> 440LBS capacity (200Kg) hopper for manually feeding the boiler with bagged pellets.		1	Included in above	
<b>Ash Vacuum with Toolkit</b>		1	Included in above	
<b>Virtual Installation, Commissioning &amp; Technical Support-</b> Virtual Support via Web platform (Zoom, Skype, Webex, Facetime, etc.) for system setup support. Can include meeting with plumbing and heating contractor, installation and design support, system commissioning and initial setup, customer training, etc. Billed Hourly in 15-min increments		4	Included in above	

<b>BioWIN2 Touch Exklusiv –BW152T VAC</b>		<b>Quantity<sup>i</sup></b>	<b>Price<sup>ii</sup></b>	
<b>Delivery Package by Pellaery</b>				
BioWIN2 Touch Exklusiv Boiler (BW152T) 15kW Boiler (51,210 BTU/HR Output) with Automated Vacuum Pellet Feed System		1	\$19,595.00	
<b>Near Boiler Trim Package-</b> Includes Pressure Relief Valve, Near Boiler 1" NPT Fittings, Combined Pressure/Temperature Gauge, Boiler Primary Pump (Grundfos 3-Speed), Isolation/Purge Valve and Isolation/Purge Circulator Flanges		LOT	Included in above	
<b>119-Gallon Insulated Thermal Storage Tank</b>		1	Included in above	
<b>Thermal Storage Tank Fittings/Control Package-</b> Includes Pressure Relief Valve, Near Tank NPT Fittings (1/2" thru 1-1/2"), Tank Air Vent, Thermal Control Units for control of boiler		LOT	Included in above	
<b>Floor Mount Expansion Tank</b>		1	Included in above	
<b>Stainless Steel Sealing Barometric Damper, 6"</b>		1	Included in above	
<b>2" ID (2.5" OD) Pellet Feed/Return Flex Hose, 100FT</b>		ROLL	Included in above	
<b>Vacuum Suction Probe for Bulk Feed System</b> Requires the installation or construction of a bulk pellet storage bin. See OPTIONS listing.		1	Included in above	
<b>Ash Vacuum with Toolkit</b>		1	Included in above	
<b>Virtual Installation, Commissioning &amp; Technical Support-</b> Virtual Support via Web platform (Zoom, Skype, Webex, Facetime, etc.) for system setup support. Can include meeting with plumbing and heating contractor, installation and design support, system commissioning and initial setup, customer training, etc. Billed Hourly in 15-min increments		4	Included in above
